

Dear Sir or Madam,

The Sackawa Canoe Club is a not-for-profit community-based canoe/kayak club on First Lake in Lower Sackville that offers both a nine-week summer camp as well as a year-long high-performance training program where we teach youth the sport of Sprint Canoe and Kayak.

Originating in the 1980's, Sackawa has grown in the last thirty years to include many athletes placing at local regattas, as well as competing and winning medals, at the National and International level. Our primary focus is to provide a forum where recreational paddlers have an opportunity to develop into high performance athletes. Our program provides many opportunities to local youth including a wide variety of recreational activities as well as the opportunity to compete at both regional and national championships.

Although our club has witnessed dedicated support from its members, we continue to seek ongoing support from the community and local businesses. Throughout the year we hold various fundraising activities with proceeds going to Sackawa. In our effort to continue to offer this sporting opportunity to our Sackville/Bedford youth, we strive to provide current paddling equipment including boats, paddles, and qualified coaches to enable our youth to continue to develop their paddling skills and technique.

Please consider making a donation. Any support you can give would be greatly appreciated. No item is too big or too small. If you can donate, please email [fundraising@sackawa.ca](mailto:fundraising@sackawa.ca). If you would like further information on our club, please visit our website at [www.sackawa.ca](http://www.sackawa.ca).

Thank you in advance for your consideration. We look forward to hearing from you.

Sincerely,  
Sackawa Canoe Club Board of Directors
