

Sackawa Canoe Club

June 2, 2018

12pm Start

Official Rules

- Boxes are placed 21ft apart measured from the front of each box.
- 2 players per team.
- First shot is determined by rock/paper/scissors by 1 player per team.
- One player per team at each end. Once playing sides are chosen there can be no changing sides until next game.
- There will be 2 washers per team thrown at each end. Each team member will throw one washer at a time.
- Underhand throws only.
- All throws must be taken from behind the front of each box, which means you can stand beside the box but your toes cannot cross the front of it. If line is crossed, then the throw is forfeited.

Point Count

- Washer within 1 foot of the box is worth 1 point. Measuring stick will be provided.
- Washer in box is worth 2 points.

Note: If washer lands on side of box and has not fallen into the box it is not classified as in the box. It is worth 1 point as per 1 foot of the box. The same holds for a washer on the edge of pipe/sewer.

- Washer in the pipe/sewer is worth 3 points.

Scoring

- A higher point toss cancels out a lower point toss (1 sewer toss will cancel out 1 toss in the box; Ex. Team A throws one in the sewer and Team B throws one in the box. Team A scores 3 points and Team B none. If higher tosses are equal, then scoring goes to lower tosses. Ex. Each team has 1 washer in the sewer. They cancel each other out. Team A has 1 in the box = 2 points. Team B has 1 outside the box = 1 point. Team A wins with 2 points.
- Equal tosses cancel each other out and no points are awarded.
- Washers that bounce into scoring positions count.
- Washer must land IN appropriate scoring positions. If a washer lands on the rim of the box or pipe/sewer it is scored with the lower total. Ex. Washer lands on edge of box = 1 point, edge of pipe/sewer = 2 points.
- The winner is the 1st team to reach 21 - exact points are required to reach 21. Ex. If you have 20 points you need exactly 1 point to win. If you score more than 1 point, they will be discarded and the next teammate will try for 1 point only.
